Academic Honesty and Integrity Statement

The Disability Services Center (DSC) requires that you read and sign this document prior to your exam. If you have any questions or concerns, please direct them to DSC staff.

The DSC strives to maintain the integrity of a secure testing environment. Proctors monitor testing via live video surveillance. No student shall engage in activities that involve attempting to receive a grade by means other than honest effort. Please be advised, if anything unusual is observed, you will be asked to step out of the room to discuss the circumstances.

If you need assistance or need to use the restroom during the exam, please raise your hand or step out of the testing room and immediately notify a proctor. Otherwise, you may not leave the testing room while your test is in progress.
